Ain't no stopping us now

Ain't no stoppin' us now

We're on the move

Ain't no stoppin' us now

We've got the groove

Ain't no stoppin' us now

We're on the move

Ain't no stoppin' us now

We've got the groove

There've been so many things that have held us down

But now it looks like things are finally comin' around

I know we've got a long, long way to go

And were we'll end up, I don't know

But we won't let nothin' hold us back

We're puttin our ourselves together,

We're polishin up our act,

And if you've ever been held down before

I know you refuse to be held down any more, yeah

Don't you let nothin', nothin'

(Stand in your way)

I want y'all to listen, listen

(To every word I say, every word I say)

Ain't no stoppin' us now

We're on the move

Ain't no stoppin' us now

We've got the groove

Ain't no stoppin' us now

We're on the move

Ain't no stoppin' us now

We've got the groove

That's what friends are for

And I never thought I'd feel this way
And as far as I'm concerned
I'm glad I got the chance to say
That I do believe I love you

And if I should ever go away
Well, then close your eyes and try to feel
The way we do today
And then if you can remember

Keep smilin', keep shinin'
Knowin' you can always count on me, for sure
That's what friends are for
For good times and bad times
I'll be on your side forever more
That's what friends are for

Keep smilin', keep shinin'
Knowin' you can always count on me, for sure
That's what friends are for
For good times and bad times
I'll be on your side forever more
That's what friends are for

Keep smilin', keep shinin'
Knowin' you can always count on me, for sure
That's what friends are for
For good times and bad times
I'll be on your side forever more
That's what friends are for

Making Memories

We've been making memories for a long, long, long, long time

It's a lovely thing to do, And we've made them all for you,

We've been making memories and if you're very smart

You'll take each little memory and

Lock it in the pocket of your heart.

Oh! Day and Night and Night and Day

The songs that we have sung,

Have echoed over land and over sea

Already we have shared them with the friends we know

Now we're going to leave them with you when we go.

This is the best of legacies.

It's ours, it's ours, you bet your life it's ours

For making memories

Birds of a Feather

We are "Birds of a Feather"; St. Helens is our home,
To all "Birds of a Feather", Where so ever you roam,
Get our wave-length on the air,
We're going to shout, "Gang Show Calling",
Listen to our Greeting ringing out,
To "Birds of a Feather", through the wide, wide world.

Crest of a Wave

We're riding along on the crest of a wave
And the sun is in the sky
All our eyes on the distant horizon
Look out for passers by.
We'll do the hailing
When all the ships around us sailing
We're riding along on the crest of a wave
And the world is ours.
