

Opening

**I'll be there for you**

So no one told you life was gonna be this way  
Your jobs a joke, you're broke, your love life's D.O.A.

It's like you're always stuck in second gear  
And when it hasn't been your day, your week,  
Your month, or even your year but..

I'll be there for you, When the rain starts to pour  
I'll be there for you, Like I've been there before  
I'll be there for you, 'Cuz you're there for me too...

You're still in bed at ten, And work began at eight  
You've burned your breakfast, So far... things are goin' great  
Your mother warned you there'd be days like these  
Oh but she didn't tell you when the world has brought  
You down to your knees that...

I'll be there for you, When the rain starts to pour  
I'll be there for you, Like I've been there before  
I'll be there for you, 'Cuz you're there for me too...

## St. Helens Gang Show 2010 Song Book: Opening

Can you feel it?

Can you feel it?

Can you feel it?

Can you feel it?

If you look around, the whole worlds coming together now.

Can you feel it?

Can you feel it?

Can you feel it?

Feel it in the air, the wind is taking it everywhere, yeah

Can you feel it?

Can you feel it?

Can you feel it?

All the colours of the world should be,

Lovin' each other wholeheartedly,

Yes, it's all right,

Take my message to your brother and tell him twice

## St. Helens Gang Show 2010 Song Book: Opening

Spread the word and try to teach the man  
Who is hating his brother, When hate won't do,  
'Cuz we're all the same,  
Yes the blood inside of me is inside of you

Now tell me can you feel it,  
Can you feel it,  
Can you feel it

Now tell me can you feel it,  
Can you feel it,  
Can you feel it

## STOMP

Thank You for the weekend,  
Now is the time, For feeling alright,  
Come and taste the spice of life,

Tonight nothing matters, Come and feel the groove,  
Let it into you, You know what you've gotta do,

Every Friday when my work is done now,  
I get my party on, I call a few friends of mine,  
Make sure I'm looking fine,  
I know we're gonna have a real good time, yeah,

Everybody clap your hands,  
Get up and dance,  
We're gonna stomp all night now,  
Everybody move your feet,  
Get up and feel the beat,  
We're gonna stomp all night now,
