

Summer

**What time is it?**

What time is it?, Summertime, It's our vacation

What time is it?, Party time, That's right, say it loud

What time is it?, The time of our lives, Anticipation

What time is it?, Summertime

School's out, scream and shout!

Finally summer's here, Good to be chillin' out

I'm off the clock, The pressure's off

Now my girl's what it's all about

Ready for some sunshine, For my heart to take a chance

I'm here to stay, Not movin' away

Ready for a summer romance

Everybody ready, going crazy, yeah we're out

Come on and let me hear you say it now, right now

What time is it?, Summertime, It's our vacation

What time is it?, Party time, That's right, say it loud

### Livin La Vida Loca

She's into superstitions black cats and voodoo dolls.

I feel a premonition that girl's gonna make me fall.

She's into new sensations new kicks in the candle light.

She's got a new addiction for every day and night.

She'll make you take your clothes off and go dancing in the rain.

She'll make you live her crazy life but she'll take away your pain

Like a bullet to your brain. Come On!

Upside, inside out she's livin la vida loca

She'll push and pull you down, livin la vida loca

Her lips are devil red and her skin's the color mocha

She will wear you out livin la vida loca Come On!

Livin la vida loca, Come on!

She's livin la vida loca.

## La Isla Bonita

Last night I dreamt of san pedro  
Just like I'd never gone, I knew the song  
A young girl with eyes like the desert  
It all seems like yesterday, not far away

Tropical the island breeze,  
All of nature wild and free  
This is where I long to be  
La isla bonita  
And when the samba played  
The sun would set so high  
Ring through my ears and sting my eyes  
Your Spanish lullaby

I fell in love with San Pedro  
Warm wind carried on the sea, he called to me  
Te dijo te amo  
I prayed that the days would last  
They went so fast

## Summer of Love

This is the summer of love

Tonight the fiesta will come

It's the summer of love

Tonight we live la vida loca

Yes we'll have the time of our lives

A fiesta we'll always remember

Tonight we will taste paradise

Life is sweet and we treasure each moment

Moving closely with me as we sway

For tonight we forget our tomorrow

It's time for the music to play

The temperature's rising

You search the horizon

And there's not a cloud in the sky

So dance, it's the summer of love

Tonight the fiesta will come

One hundred degrees

In the shade of the trees

One more time

Tonight is the night of our lives

De fruta la vida that's right

One hundred degrees

And we turn up the heat

One more time for the summer of love

### **Get this Party Started**

I'm coming up so you better get this party started

I'm coming up so you better get this party started

Get this party started on a Saturday night

Everybody's waiting for me to arrive

Sending out the message to all of my friends

We'll be looking flashy in my Mercedes Benz

I got lots of style, check my gold diamond rings

I can go for miles if you know what I mean.

I'm coming up so you better get this party started

(I'm coming up I'm coming)

I'm coming up so you better get this party started

## St. Helens Gang Show 2010 Song Book: Summer

Pumping up the volume, breaking down to the beat

Cruising through the west side

We'll be checking the scene

Boulevard is freaking as I'm coming up fast

I'll be burning rubber, we'll be having a blast

Pull up to the bumper, get out of the car

License plate says Stunner number 1 Superstar

I'm coming up so you better get this party started

(I'm coming up you better)

I'm coming up so you better get this party started

(Get this party started)
